Evangelistic Ministry Affairs Committee

1. We had a big feast for the reunion of fellowship members on 20th May so that they could get to know each other better. About 60 teachers and students joined the activity.
2. In the afternoon of 5th May, we invited The Hong Kong Gospel Martial Arts Ministry to lead the talk on Christian faith through hymns singing, demonstration of martial arts and personal witness to our students about the salvation of Jesus Christ. 4 students were converted to Christianity.
3. On 16th May, we arranged a lunch concert on prayers. The graduate from Bethel Seminary, Ms. Tsang Yung Tsz, guided our students to sing hymns to praise God.

Healthy Campus Development Team

We organized a campaign on the selection of the person that I like most on “caring, inclusive and proactive learning” and a writing competition on the person that I like most on “caring, inclusive and proactive learning”. It enabled our students to familiarize themselves with celebrities who have made a great contribution to Hong Kong. It also nurtured our students spirit of assisting the disadvantaged by offering assistance, as well as promoting a caring campus and proactive learning culture. The results are as follows:

The most active voting classes for the selection of the person that I like most on “caring, inclusive and proactive learning”

Junior Secondary	
Champions	1C and 2C
Second runner-up	3B

Senior Secondary	
Champions	5A
First runner-up	4C
Second runner-up	4B

Writing competition on the person that I like most on “caring, inclusive and proactive learning”

Champions	2A	Chui Kai Yan
First runner-up	4A	Thapa Namrata
Second runner-up	4A	Gurung Simran

	1B	Gurung Angina

After checking the ballots from the whole school, we selected “Brother Ming” from the “Conscientious Restaurant” as the person that I like most.

Career Guidance Committee

1. On 12th May, representatives from HKIVE and Hong Kong Institute of Technology delivered a talk to our S.4 and S.5 students about their courses. Our alumni Ms. Leung Hoi Kwan and Cheung Tsz Kan also gave sharing in the “alumni sharing” session. They gave their personal views on the institutes in order to help our students select the appropriate subjects.
2. On 18th May, 18 students were taken to visit the Star Ferry Company Limited. They were given a ride across Victoria Harbour and experienced the work of working on the ferry. They also learnt the duties of different positions.
3. On 19th May, we invited an art illustrator to share his experience from the post of a social worker to the current position in these 10 years. He also created his own house brand and produced personal products.
4. At the end of May, we arranged for 4A and 5A students to attempt a mock interview workshop and they learnt how to practice different types of interview skills.
5. The Hong Kong Coalition of Professional Services and Yuen Long District Secondary School Heads Association jointly organized a “Yuen Long Summer Internship for Secondary School Students in Yuen Long”. 10 students have been recommended to the scheme and they are allowed to join the internship in different areas of expertise for two weeks in the summer holiday so as to broaden their horizons and enhance their working experience.
6. From 21st to 28th of May, we arranged for 34 students to join the enrollment exercise for the 2016-2018 cohort of Applied Learning Courses.

Co-curricular and Extra-Curricular Activities Team

1. 6A Prasai Kailash took the A.S. Watsons Group Hong Kong Students Award and attended the prize presentation ceremony.
2. The Co-curricular and Extra-Curricular Activities Team participated in the Yuen Long Students with Great Leap Performance Award Scheme. Lam Kam Pong from 2A, Cheung Hoi Yan from 3A and Lam Ching Yee from 4C were awarded the prizes in physical education. Yeung Sin Yu from 5B also won the service award.
3. The Yuen Long District Arts Committee organized the Scheme for Yuen Long District Arts Star Award. Kandel Kaushal from 5A was awarded the Yuen Long District Arts Star.
4. In order to cultivate a spirit among students of setting up life goals and achieving a breakthrough, the Liberal Studies and Co-Curricular and Extra-Curricular Activities Team were sponsored by enthusiastic alumni to hold adventure activities on 'Adventureship'. Students were able to experience a two-day adventure training programme on the sea.
5. Our teachers and students in the Community Youth Club participated in the Annual Award Presentation Ceremony of CYC in Yuen Long. We were awarded a Merit Prize for the Flower Fun Raising Competition, CYC Level 2 Merit Awards and a Teachers Service Award.
6. The Co-curricular and Extra-Curricular Activities Team and Hong Kong Rouliqiu Association jointly organized the Third Hong Kong Primary School Set Pattern Competition. More than 80 primary school students from 5 schools joined the activity.
7. The Co-curricular and Extra-Curricular Activities Team invited athletes from the Crest Ray Triathlon Team to visit our school and give a morning sharing on sports. They also arranged a workshop afterwards so that our students could have a taste of Triathlon.

Public Relations Committee

1. Our school, the Equal Opportunities Commission and other organizations jointly organized a carnival on the theme of "Let's Build an Inclusive Hong Kong Together". The chairman of EO, Prof. Alfred Chan Cheung Ming, SBS, JP and more than 200 celebrities attended the activity.
2. In order to follow the implementation of S.T.E.M. by the Education Bureau, our school held a "Learning Day for Science, Technology, Engineering and Mathematics" to support the development of science education in primary schools in the district. We arranged Workshops on 3D-printing, Intelligent Soccer, Intelligent Robots, Aerial Photography and Campus TV.
3. The Public Relations Committee participated in the Hong Kong International Education Fair at Shenzhen Convention and Exhibition Centre and introduced the educational philosophy of our school to the residents in Shenzhen.
4. The Caring School Award Scheme 2015 was organized by the Hong Kong Christian Service, Hong Kong Careers Master and Guidance Master, HKedCity and EDB. Our school participated in one of the thematic competitions which was called "Inclusion and Harmony". We were promoted into the second round among a number of competitors. Eventually a board of adjudicators agreed and appreciated unanimously the effort that we put on inclusion and harmony and noted that we fully actualized the spirit of a caring school. Hence they awarded us the Merit Prize for the theme of "Inclusion and Harmony". The prize was awarded on 7th May 2016.
