### JUPAS - Principal's Nominations Scheme (2018-2019)

#### Background

The Principal's Nominations Scheme of JUPAS was initiated in 1999. Under this scheme, the school will nominate at most three students after the school selection.

#### Selection Criteria of School Selection

- (1) To align with the objectives of the JUPAS Principal's Nominations Scheme, the school will mainly nominate **students who have outstanding achievements in the following non-academic areas:**
  - arts, music, sports and other cultural activities
  - school and social services
  - leadership
- (2) The school will only nominate students who have outstanding achievements in one or more areas of above and evaluate whether their public examination results can meet the entry requirements of their selected programmes based on the opinion of the subject teachers.
- (3) If students have outstanding performances or achievements in one of the areas listed in (1) and have decent or even excellent results, the Principal's Nomination Scheme can help them to get into those highly competitive programmes, such as BBA, MBBS, Actuarial Science, etc. Since these students have outstanding achievements apart from academics so the scheme would also consider nominating these students.

#### Application Procedures

Students can get an application form from Ms. Chan Man Wai, fill in related information and **submit the form by 8/1/2019**.
