

Implementation of New Measures “Fees for specific purposes and Collection of Tong Fai”
from the 2026/27 Academic Year

Dear Parents,

Starting from the 2026/27 academic year, the school will implement the following measures:

1. A fee of HK\$250 per student will be levied. The purpose of this fee is to improve the learning environment and enhance students' learning effectiveness. This fee is in accordance with the "School-based Management Initiatives" implemented by the Education Bureau. Parents with financial difficulties can apply for a fee waiver from the school.
2. The tuition fee for senior form students will be adjusted from HK\$340 to HK\$370 to support the school's educational expenses.

These fees have been approved by the Incorporated Management Committee of Bethel High School and the Parent-Teacher Association. The school will guide and use these resources carefully, we will ensure these resources are used effectively to promote our sustainable, long-term development.

If you have any questions, please contact Acting Principal, Mr. Tsoi Kwok Wing at 24712622. Please sign the electronic notice on or before 5 September 2026.

Yours faithfully,

Mr. Tsoi Kwok Wing
(Acting Principal)
