

Prohibition on Face Covering Regulation

Dear Parents,

The Prohibition on Face Covering Regulation, made under the Emergency Regulations Ordinance (Cap. 241), was passed by the Chief Executive in Council on 4 October 2019 and has been enacted with effective from 5 Oct 2019 (Saturday). In view of this, to avoid breaching the law inadvertently, Education Bureau advises parents to remind your children not to cover their faces in any manner when they go out. In fact, covering the faces to avoid being identified is not a usual and reasonable practice in interpersonal communication. There is absolutely no need and no reason for students to cover their faces when they participate in normal and usual activities, as well as interact with teachers and peers, except for religious or health reasons. If students feel unwell, the best solution is to seek medical treatment and rest at home. Education Bureau urges parents to set an example and serve as a role model for your children.

We also like to take this opportunity to remind parents to advise your children not to participate in chaotic, dangerous or illegal activities. We hope that parents could join hands with us to protect students so that they can focus on their studies and grow healthily in a peaceful and safe environment.

Yours sincerely,

Chan Ka Fai  
Principal
