

《Special Classes》

Dear Parents,

It's been a week since the start of this academic year, the school has arranged online classes for the learning of students. To further strengthen students' learning effectiveness and help them understand more about the school, teachers and the curriculum, so as to cultivate students' interest in learning, the school has arranged two special measures. The details are as follows:

1. 「Never Give Up」 ”8+1” Special classes

- Different courses in the afternoon are planned

Time : Start from 3:00 pm

Starting date : 14/9/2020 (Monday)

Day	Mon	Tue	Wed	Thu
Theme	Class Teacher Period	Tutorials	Extra-curricular Activities	Teachers and Students' Forum
Content	Handling general affairs	Discussions of different topics / Subject-based homework guidance	Diversified extra-curricular activities 16/9 : Musical Appreciation 23/9 : Sports Promotion 30/9 : Fun Mathematics in Handicrafts	An open forum for teachers and students that can deepen their understanding of each other
Students involved	All students	Selected by the subject teachers (See Annex 1 for details)	All students	First come, first served
Enrollment method	/	Selected by the subject teachers (See Annex 1 for details)	To be announced in morning assembly	To be announced in morning assembly (Apply beforehand)

2. S.1-2 「Easier Learning」 iPad Loan Scheme

Aim : To help students without a computer or tablet at home for online learning. The school offers a scheme of lending an iPad to students who are in need of such an electronic device in order to facilitate their online learning at home.

Target Groups : S1 and S2 students

Regulations : Please refer to the “Easier Learning” iPad Loan Scheme – User Guidelines and Regulations (See Annex 2)

Ways to apply : Students who are interested in the scheme should fill out the reply slip in the e-notice via the eClass app before 14th September, 2020.

Collection : After the approval of the above application, the school will send a message to the successful applicants through eClass, and remind students and parents to come to school and get the iPad.

Please kindly sign the electronic circular by 14 September (Monday). Thank you for your kind attention.

Yours faithfully,

Chan Ka Fai
(Principal)

Bethel High School

「Easier Learning」 iPad Loan Scheme – User Guidelines and Regulations

2020-2021

< Only applicable to S.1 and S.2 students >

The following user guidelines and regulations detail the rules and responsibilities of students when they borrow a school iPad for use at home, and they are also applicable to parents or guardians of the students.

This User Guidelines and Regulations must be read carefully and signed to acknowledge your understanding of and agreement to the conditions described below before a student is issued a school iPad. (The original copy is to be kept by the school.)

- Lending Principles
 - The school iPad is intended for educational purposes only. Students, as well as parents must not apply non-educational use of the issued iPad.
- Monitor and Maintenance
 - The school iPad must be treated with due care and kept in good condition by students at all times.
 - Students as well as parents need to charge the school iPad on a regular basis, in order to ensure enough power for online learning activities.
- Problem Solving
 - In case of operational or technical problems, students should contact the school for support. Students must not repair, replace or refit the school iPad.
 - The school iPad that has been damaged or lost, should be reported to the school and will be repaired with the cost being borne by the student.
- Regulatory Requirements
 - Students must not use the school iPad to access any documents or content that are inappropriate for minors, copyright-infringed or law-violated.
 - Students must not use the school iPad to install, download or save any apps or documents that are unrelated to learning without the school's permission or authorization.
- Return of Device
 - Students must log out any system once logged on with the school iPad, and clear history and website data before returning iPad.
 - If necessary, students should back up any information before returning iPad.
 - The school iPad is to be borrowed from the first day of issue to the first day of whole-day class resumption.

I hereby agree to the above terms and conditions.
